

Farmington Spine Fire ~ Sunday 18, 2013

Contact:

Kim Osborn – US Forest Service – Fire Information Officer
801-710-3664

Start: 7/16/2013

Location: One mile south of Farmington Canyon, Farmington, Utah

Cause: Human cause

Size: 58 acres

Containment: 50%

Fuels: Oak brush and grass

Assigned Resources:

- 3 twenty person fire crews
- 1 helicopters
- 4 Engines
- Miscellaneous overhead

Fire Situation: Little fire behavior was seen last night, mostly smoldering pockets of heavier fuels. Today crews will grid for hot spots, secure containment lines, and continue with mop up operations on all sides of the fire. The remains crews will be released Monday morning with one crew remaining to monitor the fire through Monday evening.

A closure is in effect for the Farmington Canyon area through Sunday evening. Extending from 5th south (south of cemetery) along the fire break road north, Farmington Canyon road east to Skyline, west down Steed Canyon.

The Farmington Canyon & Fire Break Road Area will be open Monday morning, August 19, 2013.
